

Vehicle Maintenance List

Monthly:

- Check Oil - if you have your oil changed professionally, they will check most of these for you.
- Check Tire Pressure
- Check Antifreeze
- Check Coolant
- Check Wiper Fluid
- Wash/Go To Carwash – especially in winter when road salt can damage your paint

Quarterly:

- Change Oil – your oil change will be based on mileage, etc. Your schedule may differ
- Check or Change Sparkplugs
- Rotate Tires
- Check Brakes/Pads
- Check belts – serpentine, etc.
