"Blood" Punch

Using a large punch bowl, mix together

- 3 parts of Cascade Ice Cranberry Pomegranate <https://amzn.to/3MdXrIP>
- 1.5 parts of Cascade Ice McIntosh Apple

Then stir in

- 1.5 parts cups of grape juice
- 2 parts of club soda

Add in 2 cups of frozen strawberries to compliment the flavors and serve!

NOTES

To make an adult alcohol version of this drink, simply add 1 oz of your favorite vodka or other spirit

Pumpkin Pie Float

For a crowd-pleasing desert, try the Pumpkin Pie Float.

Pour 6oz of Pumpkin Pie Cascade Ice into a tall glass filling it up halfway and add one scoop of vanilla ice cream.

Garnish the float by crumbling a graham cracker and adding a dollop of whipped cream. It's to die for!

NOTES

I haven't been able to find Cascade Ice Pumpkin Pie flavor in a long time. To re-create this recipe, try using 1 TBSP pumpkin pie filling. NOT plain pumpkin as you want that spice flavor. Stir it into plain sparkling or seltzer water until well incorporated.

To make an adult alcohol version of this drink, simply add 1 oz of your favorite Rum or other spirit

The Screamsicle

No holiday is complete without a mixed drink for mom and dad.

Mix the following in a glass with ice.

- 6oz Cascade Ice Orange Mango <https://amzn.to/3PJP74m>
- 1oz of Orange Vodka
- 2oz of Whipped Cream flavored vodka

Garnish your drink with some red or black liquorish!

NOTES

For a non-alcoholic version (mocktail) replace orange vodka with orange juice, orange Koolaid or orange Fanta

Happy Halloween! Enjoy!
